Enveloped by greenery, and spread over two levels this larger than life property, offers tree top living with elevated farmland views packed in a family home.

Fitting so much more into the 643sqm footprint than you would expect, you will find six bedrooms and three bathrooms along with workshop space and under house storage.

As you enter the home a vast lounge room stretches out. Flooded by natural light, the family will spend most of its time here; it's a living area that is relaxing and inviting. From here enter the kitchen and dining area which is open so the family can be cooking and all chatting at the same time an easy space.

Double electric ovens, a dishwasher and breakfast bar make the kitchen a pleasure to work in but a focal point in the kitchen is a long window that was designed to bring natural light onto the counter and the outdoors in. The outlook of green vistas is an instant mood booster; it's so peaceful and relaxing looking out to the rambling Paterson Ranges.

There are some lovely options for outdoor living spaces which will allow the new owners to entertain on a large scale or more intimately with a screened and tiled area off the kitchen which leads to an open north facing deck, perfect for catching filtered sunlight as well as a paved courtyard at the bottom of the stairs which is protected from the elements by the upstairs decking.

Downstairs offers a study, a perfect Zoom Room away from family noise, along with a third shower and toilet bathroom and a storeroom, single garage and underfloor storage/workshop space. The kids can come straight in from the garage and leave their running shoes and muddy soccer boots here.

Just a short block from the Tenambit shopping strip along with schooling options within walking distance, the property's location is ideal.

What you're going to love about this home is that it's not precious, it's just a lovely home; very liveable, warm, open and friendly.
